MPANJANE

GENERAL CONSTRUCTION

About Us

Mpanjane General Construction (Pty) Ltd is a company based in Emalahleni, that was formed to cater to the needs of the people, companies, and organisations all over South Africa.

We specialise in mechanical and civil engineering services, we are a trusted vendor in the mining and construction industry, having an experienced team of engineers, artisans and project managers

Background

The company was founded by Mrs. Nontobeko Nyundu after she saw that she could create an organisation that could bring solutions to the town of Emalahleni and to our country, contribute to its economic growth and advancement and create employment opportunities for our citizens.

Our Vision and Purpose

To ensure that our nation's people, businesses and organisations get quality services and to implement the necessary solutions to tackling the challenges that are facing our nation.

Goals

- Regional expansion in our specialty industry
- Develop a strong base of key customers.
- To build a good reputation in the field of logistics in South Africa
